

—Airfields from various sources.
—Runway length from Wikipedia.
—Parking space data estimated from google earth using known data for Anderson AFB (see *The U.S.-China Military Scorecard Forces, Geography, and the Evolving Balance of Power*, 1996–2017, RAND, 2015, Heginbotham et. al., pg.78)
—Fuel farms for tankers from *Resilient Aerial Refueling: Safeguarding the US Military's Global Reach*, Timothy A. Walton & Bryan Clark, Center for Defense Concepts And Technology, Hudson Institute, 2021, pg. 37. Australian base additions from *US Air Force to deploy nuclear-capable B-52 bombers to Australia as tensions with China grow*, Angus Grigg, Lesley Robinson, and Meghna Bahl, Australian Broadcasting Corporation, 30 Oct 2022 AND *Base Point*, Janes Defense and Intelligence Review, February 2023, pg. 26-28. Komaki Airbase is assumed to be equipped for tanker operations as it is where the JASDF's tanker squadron is based.
